

Discussion Guide for

7 Days with Daddy

Congratulations on adding a copy of *7 Days with Daddy* to your family library. I've put together suggested conversation points to help you to get the most out of your reading experience. Because the book integrates math, health, family values and more, the topics will help you and your family identify the importance of each individually. So without further ado, here they are:

1. Where is Mommy going? Why?
2. What day did Mommy leave?
3. How does the little girl feel about Mommy leaving?
4. What does Dad do on the same day Mommy left to try and make the little girl feel better?
5. How did the little girl respond?
6. What happens next?
7. What day is it?
8. What do they do and why?
9. How does the little girl feel about it?
10. What happens next?
11. What day is it?
12. What happens on the last day?
13. How does the little girl feel?
14. Why?

I love to hear all about how families make and keep changes for the better. If at any time you would like to share how Imagireading *7 Days with Daddy* was fun for you, please feel free to email me at Tiffany@imagiread.com. I love getting emails from
